In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

USA's historie fra 1450-1877 samt kolonisationen af Amerika. Medtager kildekrifter af historisk interesse fra perioden

By delving into the unique philosophical assumptions which distinguish the political attitudes of the colonists from classical, medieval ideas, the author illuminates the concepts of the Constitution

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.
