In terms of complexity it is simplistic. There is not a wealth of double meanings. This isn't a poem where the poet is "showing off" more a poem full of honesty. This is a memoir as wry, funny, moving and vivid as its inimitable subject himself. This book will be a joy for both lifelong fans and for a whole new generation. John Cooper Clarke is a phenomenon: Poet Laureate of Punk, rock star, fashion icon, TV and radio presenter, social and cultural commentator. At 5 feet 11 inches (32in chest, 27in waist), in trademark dark suit, dark glasses, with dark messed-up hair and a mouth full of gold teeth, he is instantly recognizable. As a writer his voice is equally unmistakable and his own brand of slightly sick humour is never far from the surface. I Wanna Be Yours covers an extraordinary life, filled with remarkable personalities: from Nico to Chuck Berry, from Bernard Manning to Linton Kwesi Johnson, Elvis Costello to Gregory Corso, Gil Scott Heron, Mark E. Smith and Joe Strummer, and on to more recent fans and collaborators Alex Turner, Plan B and Guy Garvey. Interspersed with stories of his rock and roll and performing career, John also reveals his boggling encyclopaedic take on popular culture over the centuries: from Baudelaire and Edgar Allan Poe to Pop Art, pop music, the movies, fashion, football and showbusiness – and much,

A debut young adult rom-com about an African American ballerina who finds love on the road to an audition. "In a world where it's easy to lose faith in love, *I Wanna Be Where You Are* is a brilliant burst of light. A dazzling debut." — Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out* When Chloe Pierce's mom forbids her to apply for a spot at the dance conservatory of her dreams, she devises a secret plan to drive two hundred miles to the nearest audition. But Chloe hits her first speed bump when her annoying neighbor Eli insists upon hitching a ride, threatening to tell Chloe's mom if she leaves him and his smelly dog, Geezer, behind. So now Chloe's chasing her ballet dreams down the east coast—two unwanted (but kinda cute) passengers in her car, butterflies in her stomach, and a really dope playlist on repeat. Filled with roadside hijinks, heart-stirring romance, and a few broken rules, Kristina Forest's *I Wanna Be Where You Are* is a YA debut perfect for fans of Jenny Han and Sandhya Menon.

Between rehearsals for the school play and managing her divided family, seventeen-year-old Megan meets aspiring playwright Owen Okita, who agrees to help her attract the attention of a cute stagehand in exchange for help writing his new script.

A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang, New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

Alex just has to convince his mom to let him have an iguana, so he puts his arguments in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassurances: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house. and his mom's replies: How are you going to get a girl to marry you when you own a giant reptile? will have kids in

"It's nice to know someone as talented as Rachel is also pretty weird. If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing).
