Joseph Frank's biographical works on Dostoevsky) to the faintly ridiculous (the titular essay referring to a lobster food festival).

## **Consider The Lobster: And Other Essays: Essays and ...**

Consider the Lobster and Other Essays (2005) is a collection of essays by novelist David Foster Wallace. It is also the title of one of the essays, which was published in Gourmet magazine in 2004. The title alludes to Consider the Oyster by M. F. K. Fisher.

## **Consider the Lobster - Wikipedia**

Consider the Lobster was an admirably consistent—and frequently entertaining—collection of essays by DFW. In my opinion, it was actually even stronger than his A Supposedly Fun Thing I'll Never Do Again , which was itself certainly no slouch.

An Analysis Of Consider The Lobster By David Foster Wallace. In his article "Consider the Lobster", David Foster Wallace uses the Maine Lobster Festival as a medium for his argument regarding the ethics of eating lobster. Wallace frames his article as a conversation just to get people thinking, but a deeper look at his rhetoric shows that he is arguing against the inhumanities of eating lobster, while doing everything he can to avoid sounding like he is taking a stance.

## **An Analysis Of Consider The Lobster By David Foster ...**

Consider the Lobster is a collection of ten essays, five of which I would call major essays (50+ pages), and the other five are significantly shorter. When at his best, DFW is the best American writer of his generation. You have to go back to McCarthy and Pynchon to find someone who surpasses him.

## Download File PDF Consider The Lobster And Other Essays

Do lobsters feel pain? Did Franz Kafka have a funny bone? What is John Updike's deal, anyway? And what happens when adult video starlets meet their fans in person? David Foster Wallace answers these questions and more in essays that are also enthralling narrative adventures. Whether covering the three-ring circus of John McCain's 2000 presidential race, plunging into the wars between dictionary writers, or confronting the World's Largest Lobster Cooker at the annual Maine Lobster Festival, Wallace projects a quality of thought that is uniquely his and a voice as powerful and distinct as any in American letters.

A collection of essays by the award-winning author of *Infinite Jest* shares whimsical and biting observations about such topics as the Bush-Kerry presidential race, the pain experienced by lobsters while they are being prepared for the feast, and Franz Kafka's questionable sense of humor. Reprint.

In February 2000, "Rolling Stone" magazine sent David Foster Wallace, "NOT A POLITICAL JOURNALIST," on the road for a week with Senator John McCain's campaign to win the Republican nomination for the Presidency. They wanted to know why McCain appealed so much to so many Americans, and particularly why he appealed to the "Young Voters" of

## Download File PDF Consider The Lobster And Other Essays

America who generally show nothing but apathy. The "Director's Cut" (three times longer than the RS article) is an incisive, funny, thoughtful piece about life on "Bullshit One" -- the nickname for the press bus that followed McCain's Straight Talk Express. This piece becomes ever more relevant, as we discuss what we know, don't know, and don't want to know about the way our political campaigns work.

In this exuberantly praised book - a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner - David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we

## Download File PDF Consider The Lobster And Other Essays

are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Where do you begin with a writer as original and brilliant as David Foster Wallace? Here -- with a carefully considered selection of his extraordinary body of work, chosen by a range of great writers, critics, and those who worked with him most closely. This volume presents his most dazzling, funniest, and most heartbreaking work -- essays like his famous cruise-ship piece, "A Supposedly Fun Thing I'll Never Do Again," excerpts from his novels *The Broom of the System*, *Infinite Jest*, and *The Pale King*, and legendary stories like "The Depressed Person." Wallace's explorations of morality, self-consciousness, addiction, sports, love, and the many other subjects that occupied him are represented here in both fiction and nonfiction. Collected for the first time are Wallace's first published story, "The View from Planet Trillaphon as Seen In Relation to the Bad Thing" and a selection of his work as a writing instructor, including reading

## Download File PDF Consider The Lobster And Other Essays

lists, grammar guides, and general guidelines for his students. A dozen writers and critics, including Hari Kunzru, Anne Fadiman, and Nam Le, add afterwords to favorite pieces, expanding our appreciation of the unique pleasures of Wallace's writing. The result is an astonishing volume that shows the breadth and range of "one of America's most daring and talented writers" (Los Angeles Times Book Review) whose work was full of humor, insight, and beauty.

In this rare peak into the personal life of the author of numerous bestselling novels, gain an understanding of David Foster Wallace and how he became the man that he was. Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *This is Water*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster

## Download File PDF Consider The Lobster And Other Essays

Wallace probes the challenges of daily living and offers advice that renews us with every reading.

Set in the near future of 2020, this disconcerting philosophical fantasy depicts an America devastated by a war with China that has left its populace decimated, its government a shambles, and its natural resources tainted. The hero is Ben Turnbull, a sixty-six-year-old retired investment counselor, who, like Thoreau, sticks close to home and traces the course of one Massachusetts year in his journal. Something of a science buff, he finds that his disrupted personal history has been warped by the disjunctions and vagaries of the “many-worlds” hypothesis derived from the indeterminacy of quantum theory. His identity branches into variants extending back through the past and forward into the evolution of the universe, as both it and his own mortal, nature-haunted existence move toward the end of time.

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state;

## Download File PDF Consider The Lobster And Other Essays

'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions--questions of life's meaning and of the value of work and society--through characters imagined with the interior force and generosity that were

Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time.
