The editorial team welcomes your submissions to the European Journal of Tourism Research.

Tourism to and within India has undergone some important changes in recent years seen by the rising numbers of international tourists and increase in domestic tourism. This has led to the redevelopment and

# Access Free Cultural Tourism In Kerala

rebranding of many of its destinations as the Indian government has begun to recognise the potential importance of tourism to the Indian economy and has begun to invest in tourism infrastructure. It is also recognised that as its economy continues to grow at a rapid rate, India will also become one of the most important countries in terms of future outbound tourism.

Tourism and India is the first book to specifically focus on and fully analyze the issues facing contemporary India both as a destination and a potential source of tourists. The book analyses previous research and applies critical theory to key aspects of tourism in this region and supports this with a wide range of examples to illustrate the key conceptual points. As such the book examines aspects of tourism in India including tourism governance, cultural

# Access Free Cultural Tourism In Kerala

living has redefined the scope of business and thus the business houses approaches. A highly competitive environment, knowledgeable consumers and quicker pace of technology are keeping business enterprises to be on their toes. Today management and its concepts have become key for survival of any business entity. The unique cultural characteristics, tradition and dynamics of consumer, demand an innovative management strategy to achieve success. Effective Management has become an increasingly vital ingredient for business success and it profoundly affects our day-to-day life. Today, the role of a business houses has changed from merely selling products and services to transforming lives and nurturing lifestyles. The Indian

# Access Free Cultural Tourism In Kerala

business is changing and so do the management strategies. These changing scenarios in the context of globalization will bestow ample issues, prospects and challenges which need to be explored. The practitioners, academicians and researchers need to meticulously review these aspects and acquaint them with knowledge to sustain in such scenarios. Thus, these changing scenarios emphasize the need of a broad-based research in the field of management also reflecting in management education. This book is an attempt in that direction. I sincerely hope that this book will provide insights into the subject to faculty members, researchers and students from the management institutes, consultants, practicing managers from industry and government officers.
