Dive into two dark stories of crime and murder from bestselling author James Patterson, and can be seen on ID, inspired by true crime horrors where murder isn't always the worst thing that can happen to you. Murder of Innocence: It's impossible to resist Andrew Luster. He's rich, charming, and good-looking, and dozens of women have fallen under his spell. But Andrew is no mere womanizer. He's a predator, and it'll take a global effort to put him behind bars. (with Max DiLallo) A Murderous Affair: Mark Putnam is a rookie FBI agent given his first assignment in a remote part of Kentucky, a land of coal miners and meth dealers. him make a big break in an important case. Rumors begin circulating that the agent and his informant are having an affair. After Susan starts telling people that she is pregnant with the FBI agent's baby, she suddenly disappears. (with Andrew Bourelle)

Early on a May morning in 1988, Laurie Dann, a thirty-year-old, profoundly unhappy product of the wealthy North Shore suburb of Chicago, loaded her father's car with a cache of handguns, incendiary chemicals, and arsenic-laced food. Driven by fear and hate, she was going to make something terrible happen. Before

the end of the day, Dann had blazed a murderous trail of poison, fire, and bullets through the unsuspecting town of Winnetka, Illinois, and other North Shore suburbs. She murdered an eight-year-old boy and critically wounded 5 other children inside an elementary school. It finally took a massed force of armed police to end the killing. The shocking story of innocence destroyed by a rich young babysitter inexplicably gone mad made headlines all across the nation and inspired at least two psychotic killers to follow her example. What led her to do it? Could she have been stopped? The case raised a host of agonizing questions that have remained unanswered—until now. In this book, three Chicago

Tribune reporters who covered the Laurie Dann tragedy have pulled together all the available police evidence, unearthed valuable psychiatric information, and interviewed at length scores of people who knew Dann, many of whom had never before spoken to the media about this case. Despite clear and ominous warning signs, a young woman of beauty and privilege was allowed to deteriorate and go slowly berserk—and no one stopped her. Her parents, her doctors, and the police officers who knew her pathological behavior all failed her at critical times. By its passivity and silence, a community comfortable and quiet on the surface, yet reluctant to admit its underlying flaws, became an unwitting accomplice to

the final rampage of Laurie Dann. **MURDER OF INNOCENCE** is a searing portrayal of a family—and a society—unable to cope, and of a young woman who wanted all too desperately only to be loved.

because it happens to be true.” —Entertainment Weekly In the town of Ada, Oklahoma, Ron Williamson was going to be the next Mickey Mantle. But on his way to the Big Leagues, Ron stumbled, his dreams broken by drinking, drugs, and women. Then, on a winter night in 1982, not far from Ron’s home, a young cocktail waitress named Debra Sue Carter was savagely murdered. The investigation led nowhere. Until, on the flimsiest evidence, it led to Ron Williamson. The washed-up small-town hero was charged, tried, and sentenced to death—in a trial littered with lying witnesses and tainted evidence that would shatter a man’s already broken life, and let a true killer go free. Impeccably researched, grippingly

"By the founder of the first organization in the US committed to freeing the wrongly imprisoned, a riveting story of devotion, sacrifice, and vindication Jim McCloskey was at a midlife crossroads when he

met the man who would transform his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment found him a chaplain at Trenton State Prison in 1980, where he ministered to some of the most violent offenders in the state. Among them was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier. De los Santos swore to McCloskey that he was innocent--and over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the man's case. Two years later, he successfully effected his exoneration. McCloskey

found his calling. He would go on to establish Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with a team of forensic experts, lawyers, and volunteers--through tireless investigation and an unflagging dedication to justice--Centurion has freed 63 prisoners and counting, When Truth Is All You Have is McCloskey's inspirational story as well as those of the unjustly imprisoned for whom he has advocated. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's certainty that he had found what he was put on earth to do. Filled with generosity,

humor, and compassion, it is the account of a man who has redeemed innumerable lives--and incited a movement--with nothing more than his unshakeable belief in the truth"--

This engrossing investigation into the tragic 1988 murder of four-year-old Barbara Jean Horn and its aftermath leads readers through the facts of the case in compelling, compassionate, and riveting fashion. Award-winning journalist Thomas Lowenstein makes an evenhanded case for the wrongful conviction of Walter Ograd, a man with autism spectrum disorder who has been on death row since 1996. Informed by police records, court transcripts, interviews, letters

and journals, and more, Lowenstein relates how Ograd was convicted based solely on a confession he signed after 36 hours without sleep and how his fate was sealed by an infamous jailhouse snitch. Presenting explosive new evidence, Lowenstein exposes a larger pattern of prosecutorial misconduct in Philadelphia.

Lincoln Lawyer Mickey Haller is back on the job in this heart-stopping thriller from a renowned #1 New York Times bestselling author. Mickey elects to represent himself and is forced to mount his defense from his jail cell in the Twin Towers Correctional Center in downtown Los Angeles. All the while he needs to look over his shoulder—as an officer of the court he is an instant target, and he makes few friends when he reveals a corruption plot within the jail. But the bigger plot is the one against him. Haller knows he's been framed, whether by a new enemy or an old one. As his trusted team, including his half-brother, Harry Bosch, investigates, Haller must use all his skills in the

In his highest stakes case yet, the Lincoln Lawyer fights for his life and proves again why he is "a worthy colleague of Atticus Finch . . . in the front of the pack in the legal thriller game" (Los Angeles Times). and betrayal in old New York—now with a new introduction from acclaimed author Colm Tóibín for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people "who dreaded scandal more than disease." This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist Countess Ellen Olenska returns to New York after a long absence, turning Archer's world upside down. This classic Wharton tale of thwarted love is an exuberantly comic and profoundly moving look at the passions of the human heart, as well as a literary achievement of the
