## Ethical Wisdom The Search For A Moral Life

To be wise, you can't casually pursue wisdom; you have to actively go after it. More wisdom equals more life, more pleasure, and more meaning. It's the ultimate value. As King Solomon said, "If you desire wisdom like money and buried treasures, then you'll find it!" People have some idea that there's nothing to learn outside of a ...

Ethical Wisdom | Psychology Today

This book contends that the search for wisdom involves a persistent striving to overcome narrowness of vision that comes from the inevitable limitations of finite points of view. When applied to questions of value and the good life, this striving has ethical implications about the way we should treat ourselves and others.
