In Elizabeth Haydon's Rhapsody, a fellowship was forged--three companions who, through great adversity, became a force to be reckoned with: Rhapsody the Singer; Achmed the assassin-king; and Grunthor, the giant Sergeant-Major. Driven by a prophetic vision, Rhapsody races to rescue a religious leader while Achmed and Grunthor seek the F'dor--an ancient and powerful demon. These companions may be destined to fulfill The Prophecy of the Three, but their time is running short. They must find their elusive enemy before his darkness consumes them all. A personal exploration of the conjunction between ancient Mesoamerican prophesy and New Age higher consciousness. □ Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year. □ Explores ancient prophesies and their relevance in the contemporary world. The Incan and Mayan cultures saw themselves as □children of light□--descended from celestial realms--and their prophecies foretell a time of great spiritual awakening. They prophesied a time when the gateways to higher consciousness would open once again. That time is now. Award-winning author Judith Bluestone Polich draws on her extensive research in quantum physics, archeoastronomy, holography, cosmology, and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming, meditations, and the power of sacred sites.

Book 14 in Maggie Shayne's Bestselling Wings in the Night Series **THE FINAL BATTLE BETWEEN HUMANS AND VAMPIRES IS AT HAND** According to ancient prophecy, there's only one chance to avert the annihilation of the Undead. Twins James and Brigit Poe, part human, part vampire, believe that they are that chance. In fact, the key lies with the reclusive and mortal scholar Lucy Lanfair□and Lucy's heart lies with James. Against his own moral code, James draws Lucy into the war between vampires and humans, hoping to turn the tide, but the truth is it's a war no one can win. Lucy knows this, and she knows something else, as well: only by saving James from his own inner darkness can she save the world from being torn apart and, in the process, ensure herself a future with the man she loves. Is your child a dreamer? Does your child see visions? If so, do not ignore them. Although every dream or vision does not have any spiritual benefit we still need to listen to our children. This is so important because dreams and visions are the language of God. Every human being on the planet has the innate ability to receive divine communication from God especially in the form of a dream. The concept of dreams is fascinating and has researchers across the globe trying to find answers. Dreams are a language all their own and interpretation comes solely from our Heavenly Father. So, if your child is a dreamer you need to explain to them that God can speak to them through dreams. And take the time to show them scriptures about dreams. This will cause them to be more mindful and pay attention when they have dreams. Remember in 1 Samuel the 3rd chapter God was speaking to Samuel but he was young and did not yet know the voice of the Lord. Very often God is speaking to our children and it is up to us to teach them to recognize and respond to the voice of the Lord. Understand that not only will God communicate with children in dreams and visions the enemy will try and come with demonic communication. Many prophetic children that are dreamers battle with nightmares and being harassed at night by demonic spirits. Some children dream vividly almost every night and taking the time to listen to their dreams can give some insight to the source of their dreams or even reveal a message that God has been speaking through dreams. The first half of this book is geared towards you, the parents and other adults that are responsible for prophetic children. The second half of this book is some activities for you to do along with your prophetic child.

In a story set within the smoldering forges of the Cauldron, Rhapsody uses her singing talents and the help of Achmed the Snake and his friend Grunther to reach Sagia, the great tree that enables them to journey 1400 years into the future.

Young explorers can join the dynamic Bible detective team of Max, Molly, and Sam--the amazing beagle--for an adventure through Bible word studies, fun activities, and clever investigation to discover the secrets of Revelation.
