Martin tells the parallel stories of a stray dog (the brother of the dog featured in *A Dog's Life*), a boy dealing with unspeakable loss, and a boy whose most ardent wish is to own a dog—and everything for a dog. Bone and his sister, Squirrel, are stray dogs born in a shed. Left motherless as puppies, the two dogs survive together for a while, but are soon wrenched apart. Bone doesn't know if his sister is still alive, and must now go on, alone. Charlie is a boy who has suffered a terrible loss. And, as he's healing with the help of his dog, another tragedy occurs. Henry's best friend has moved away. All Henry has wanted is a dog of his own. But his parents won't let him. Bone, Charlie, and Henry live very different lives, but they are fated to intersect in surprising ways. Award-winning author Ann M. Martin has written a powerful, heartfelt novel that's perfect for anyone who has ever longed for a dog, or loved one.

After a childhood as a street thief, Gabriella Goodhue thought she'd put her past behind her until a fellow resident at her boardinghouse is unjustly accused of theft. In the middle of breaking into a safe that holds the proof to prove her friend's innocence, Gabriella is interrupted by Nicholas Quinn, the man she once considered her best friend—until he abandoned her. After being taken under the wing of a professor who introduced him into society and named him as heir, Nicholas is living far removed from his childhood life of crime. As a favor to a friend, Nicholas agreed to help clear the name of an innocent woman, never imagining he'd be reunited with the girl he thought lost to him forever. As Gabriella and Nicholas are thrown together into one intrigue after another, their childhood affection grows into more, but their newfound feelings are tested when truths about their past are revealed and danger follows their every step.

When her mother uproots them again to another home and takes a job as housekeeper, ten-year-old Mavis is determined to find a best friend in Landry, Alabama, where the summer also holds the promise of friendship and change for a sad man, a stray dog, and a timid girl.

"Fighting Words is raw, it is real, it is necessary, a must-read for children and their adults—a total triumph in all ways."—Holly Goldberg Sloan, *New York Times* bestselling author of *Counting by 7s*
Ten-year-old Della has always had her older sister, Suki: When their mom went to prison, Della had Suki. When their mom's boyfriend took them in, Della had Suki. When that same boyfriend did something so awful they had to run fast, Della had Suki. Suki is Della's own wolf—her protector. But who has been protecting Suki? Della might get told off for swearing at school, but she has always known how to keep quiet where it counts. Then Suki tries to kill herself, and Della's world turns so far upside down, it feels like it's shaking her by the ankles. Maybe she's been quiet about the wrong things. Maybe it's time to be loud. In this powerful novel that explodes the stigma around child sexual abuse and weavens an intense tale with compassion and humor, Kimberly Brubaker Bradley tells a story about two sisters, linked by love and trauma, who must find their own voices before they can find their way back to each other. "Della's matter-of-fact narration manages to be as funny and charming as it is devastatingly sad. . . . This is a novel about trauma and the scars it leaves on bodies, minds and hearts. But more than that, it's a book about resilience, strength and healing."—*New York Times* Book Review
