"Inside the Whale" is an essay in three parts written by George Orwell in 1940. It is primarily a review of Tropic of Cancer

Read Free Inside The Whale Down The Mine England

by Henry Miller with Orwell discursing
more widely over English literature in the
1920s and 1930s. The biblical story of
Jonah and the whale is used as a metaphor
for accepting experience without seeking
to change it, Jonah inside the whale being
comfortably protected from the problems
of the outside world. It was published,

Wikipedia

The passive attitude will come back, and it will be more consciously passive than before. Progress and reaction have both turned out to be swindles. Seemingly there is nothing left but quietism — robbing reality of its terrors by simply submitting to it. Get inside the whale — or rather,
