A straightforward guide to trading today's dynamic Forex market Written by Wayne McDonell, the Chief Currency Coach at FX Bootcamp, this book shows readers how to successfully trade the Forex market on their own. FX Bootcamp's Guide to Strategic and Tactical Forex Trading skillfully explains how to combine popular technical indicators to formulate a comprehensive market strategy. Readers will then learn how to focus on using this information to create a tactical trading plan—one that will help them pull the trigger to get in and out of a trade. Along the way, McDonell takes the time to discuss the various challenges a Forex trader faces, such as greed, fear, loss, and isolation. As a Forex trader and educator of traders, Wayne McDonell knows what it takes to make it in the competitive world of Forex. And with FX Bootcamp's Guide to Strategic and Tactical Forex Trading he shows readers how.

A Lady Seeking Scandal Lady Isabel Cameron has little use for marriage and propriety. Her dream is to study art in Paris. But her father has engaged her to a waddling, bankrupt, domineering lord twice her age. When her childhood flame Marcus Hawksley reappears—handsome, single, and socially snubbed—Isabel devises the perfect escape. She will solicit Marcus's assistance to destroy her reputation. A Man With Nothing To Lose Marcus has already felt the wrath of the ton, with his business as a stockbroker deemed unacceptable. But he is no despoiler of innocent ladies—until by chance, Isabel's improper advance leaves her the only witness against a lie that could truly ruin him. Faced with her father's demands for marriage, Isabel and Marcus agree to a wedding of convenience—and six months' tenure living as supposed husband and wife. But as the heat between them grows, what seemed a pretense becomes deliciously real. . . Praise for Lady of Scandal "A tantalizing tale. . .with sizzle and characters that engage readers' emotions." —Romantic Times

When danger to the sheep leaves no alternative, a young Navajo boy breaks his promise to his father and is rewarded for his courage and good judgment.

In 1940, when the Nazis reach their Norwegian village, twelve-year-old Peter and his friends use their sleds to transport gold bullion to the secret harbor where Peter's uncle waits to take it to the United States for safekeeping.

Including over 200 specially commissioned photographs, this guide to Impressionist art reveals the techniques used by some of the greatest artists in order to create their works.

In the second novel of this “fantastic urban fantasy series,” a teenage witch must travel back in time to save her family from ruin (Cassandra Clare, New York Times bestselling author of City of Bones). Since the gripping conclusion of Once a Witch, Tamsin Greene has been haunted by her grandmother’s prophecy that she will soon be forced to make a crucial decision—one so terrible that it could harm her family forever. When she discovers that her enemy, Alistair Knight, went back in time to Victorian-era New York in order to destroy her family, Tamsin is forced to follow him into the past. Stranded all alone in the nineteenth century, Tamsin soon finds herself disguised as a lady’s maid in the terrifying mansion of the evil Knight family, avoiding the watchful eye of the vicious matron, La Spider, and fending off the advances of Liam Knight. As time runs out, both families square off in a thrilling display of magic. And to her horror, Tamsin finally understands the fateful choice she must make.

With a swimming medal, the key to a mansion, and a comic book about a half-man/half-rat as her only clues, a 12-year-old girl seeks the true story of her father’s mysterious death four years earlier near an island in the Pacific Northwest.

With expert storytelling skills, historian Jules Archer recounts the complete story of Watergate, from that first fateful pre-dawn Saturday morning—June 18, 1972—when night watchman Frank Willis discovered “burglars” inside the headquarters of the Democratic National Committee to President Richard Nixon’s disgraced resignation two years later. This story dives into the cover-ups, the payoffs, the blackmailing, the scapegoats, and Nixon’s impending impeachment, conviction, and removal from office. As suspenseful as any detective story, Archer unveils the scandal of a president trying to steal an election that was already his. More than eighty-five historic black-and-white photographs record the events, and Archer’s thoughtful questions and conclusions leave readers with much-needed cause for hope. Part of Sky Pony Press’s revitalized Jules Archer History for Young Readers series, with a new foreword by Roger Stone, Watergate strives to give young readers the whole truth about this moment in history, which will enable young people to form intelligent judgments essential to being a part of a functioning democracy.
