most up-to-date, conservative archaeological and theological research in readable, usable style. It remains the one book indispensable to quality study, a rich treasury of Bible information.

eBook now easier to navigate than ever Unger's Bible Dictionary has been one of the best-selling Bible dictionaries on the market since its introduction in 1957. Now, this time-honored classic is more valuable than ever. Updated and expanded by respected Bible authorities including R.K. Harrison, Howard F. Vos, and Cyril J. Barber, The New Unger's Bible Dictionary is packed with the most current scholarship. Plus, the table of contents is enhanced for easy navigation. Readers can jump to any letter and see a full list of words, allowing them to locate any entry within seconds. No more paging through whole sections of the book to find your word. More than 67,000 entries are supplemented with detailed essays, colorful photography and maps, and dozens of charts and illustrations to enhance your understanding of God's Word. Although this volume is based on the New American Standard, extensive cross-referencing makes it useful with all major Bible translations, including the New International, King James, and New King James versions.

"Dr. Unger focuses on many of the details of individual passages, but he also clarifies key words and phrases, gives cross-references that are applicable, and sets forth the great thoughts that are reflected in the verses."

The MacArthur Bible Handbook is the ultimate book-by-book survey of the Bible, including charts, graphs, and illustrations from today's leading expository teacher. A unique reference tool that is committed to quality and biblical teaching—will help you easily understand each book of the Bible, its historical

context, and its place in Scripture. Bible Book Basics at a Glance! The meaning of each Bible book's name Who wrote it The date and setting The theme and purpose Its key words, verses, and chapters How Christ is presented (even in the Old Testament) Its contribution to the Bible as a whole A broad summary of the events and highlights it records A detailed outline of the book MacArthur has put in over 60,000 hours of sermon preparation time in his 35 year ministry!

The Unger's Commentary on the Gospels is a compilation of the studies of Merrill Unger. This commentary will help readers better understand, study and appreciate the New Testament which is the Word of God.

A Christianity Today 1999 Book of the Year! Every reader of the Bible has encountered the powerful, comforting and sometimes puzzling imagery of Scripture. These concrete pictures with their hidden force have struck sharp and lasting impressions on our minds. Their imprint has etched itself on the language and grammar of Christian faith and Western culture. Why then do traditional Bible dictionaries and reference works offer so little help to explorers of the Bible's galaxy of verbal pictures? They excel in describing the climate, borders and location of Galilee or Sinai. But they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text. The Dictionary of Biblical Imagery is the first contemporary reference work dedicated to exploring the images, symbols, motifs, metaphors and literary patterns found in the Bible. More than that, it examines the Bible's universal archetypes or master images--including the plot motifs and character types that recur throughout life, literature and the Bible. This

Download Free New Ungers Bible Handbook

unique dictionary explores the dazzling variety in which the Word of God comes dressed in clothes of everyday life. It traces the trail of images from Eden to the New Jerusalem. It captures the plotted patterns of biblical narrative. It surveys the imaged texture of each book of the Bible. In short, The Dictionary of Biblical Imagery is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.

Correcting many contemporary errors and misconceptions about Christian living, Merrill Unger traces the doctrine of the Holy Spirit through the New Testament, pointing out that true maturity is achieved only in day-to-day obedience, fellowship, Bible study, and prayer.

"The supreme merit of Biblical Demonology is that it holds closely to the Word of God. . . . It will remain for many years to come the standard treatment of biblical demonology." —Dr. Wilbur M. Smith
