Small Town Sustainability: Economic, Social, and ...

Among small-town sustainability efforts, none is more celebrated, and rightfully so, than the comprehensive green strategy currently being implemented in Greensburg, Kansas (population 785 as of 2013). It was born of a tragic event that no one would wish on any community: Greensburg was destroyed by a tornado in May of 2007, killing 13 people and wiping out or seriously damaging 95 percent of the town's structures.
