Star Wars: Fate of the Jedi is a nine-book series set two years after the events of the Legacy of the Force series. It is a collaboration between Aaron Allston, Christie Golden, and Troy Denning, in a cyclical style similar to the Legacy of the Force series. Originally, Karen Traviss was set to author three of the books, but was replaced by Golden because of Traviss' busy writing schedule.

The `Fate of the Jedi' series has generally
been a bit patchy, often repetitive and
lacking in direction. The previous book
made a much better effort at progressing
plots and portraying its characters. The
eighth volume continues this process and
firmly establishes a sense of direction and
positive outlook for the final volume.
