Perhaps the first management consultant, Sun Tzu asserts in The Art of War that all battles are won or lost before they are fought. Moreover, he insists that it is better, far better to gain victory without having to engage in combat. Once combat is necessary, he suggests all manner of strategies and tactics by which to overcome an opponent.

Scholars have long believed that The Art of War's author was a Chinese military leader named Sun Tzu, or Sunzi. Today, however, many people think that there was no Sun Tzu: Instead, they argue, the...

More than two millennia ago the famous Chinese general Sun Tzu wrote the classic work on military strategy, The Art of War. Now, in a new edition of Sun Tzu and the Art of Business, Mark McNeilly shows how Sun Tzu's strategic principles can be applied to twenty-first century business. Here are two books in one: McNeilly's synthesis of Sun Tzu's ideas into six strategic principles for the business executive, plus the text of Samuel B. Griffith's popular translation of The Art of War. McNeilly explains how to gain market share without inciting competitive retaliation, how to attack competitors' weak points, and how to maximize market information for competitive advantage. He demonstrates the value of speed and preparation in throwing the competition off-balance, employing strategy to beat the competition, and the need for character in leaders. Lastly, McNeilly presents a practical method to put Sun Tzu's principles into practice. By using modern examples throughout the book from Google, Zappos, Amazon, Dyson, Aflac, Singapore Airlines, Best Buy, the NFL, Tata Motors, Starbucks, and many others, he illustrates how, by following the wisdom of history's most respected strategist, executives can avoid the pitfalls of management fads and achieve lasting competitive advantage.

The Art of War is composed of only about 6,000 Chinese characters, it is considered by many to be the greatest book on strategy and strategic thinking ever written. . 350F PROFESSIONAL READING LIST.

A biography of Hoagy Carmichael, composer of classic American songs such as ""Georgia on My Mind"", ""Rockin' Chair"", ""Skylark"", ""Lazybones"", and ""Star Dust"". The book follows Carmichael from his roaring-20s Indiana youth to Hollywood legend.

This is the world's first complete English translation of "The Art of War" and the most accurate English translation in the world. In 1772, "The Art of War" was translated into French by missionaries, and a book of military theory that had influenced China for more than two thousand years was officially introduced into the Western world. In 1910, Lionel Giles translated the first English version of "The Art of War". Until today, there are as many as twenty or thirty English translation versions. Among them, the one that best conveys the original meaning of "The Art of War" belongs to the version translated by Samuel B. Griffith in 1963. However, even with this version, the true meaning of the "The Art of War" that it can convey is actually only about 50%.

Published in the United Kingdom in 2014 by C. Hurst & Co.

By exploring the basic components of The Art of War, this guide to personal development and success shows you how to unleash your full potential, triumph over adversity, and achieve long-term goals.

For twenty-five centuries, men have used Sun Tzu's classic The Art of War as a guide to conflict. In recent years, it's been a guide to climbing the corporate ladder. But this book shows that there are more paths to winning than frontal assault. You can learn from the ancient Chinese strategist how to apply the feminine principle to the business world--and win every time. Whether it's relying on networking skills to win allies or maneuvering to gain a decisive advantage, the author shows through dozens of case studies from prominent women in business how to overcome the odds, defeat opponents, and forge successful careers. The tenets of Sun Tzu lend themselves to women's natural strengths in diplomacy and relationship-building. With this interpretation, you'll learn to leverage these valuable assets to trump your male colleagues every time.

Sun Tzu's The Art of War is still one of the world's most influential treatises on strategic thought. Applicable everywhere from the boardroom to the bedroom, from the playing field to the battlefield, its wisdom has never been more highly regarded. Now available in its complete form, including the Chinese characters and English text, this essential examination of the art of strategic thinking features extensive commentary and an insightful historical introduction written by Lionel Giles, its original translator. This new edition includes an all-new introduction by scholar of ancient Chinese literature, John Minford.
