A journal entry is the act of keeping or making

## Read Free The Encyclopedia Of Journal Entries By American Institute Of

records of any transactions either economic or non-economic. Transactions are listed in an accounting journal that shows a company's debit and credit balances. The journal entry can consist of several recordings, each of which is either a debit or a credit. The total of the debits must equal the total of the credits, or the journal entry is considered unbalanced. Journal entries can record unique items or recurring items such as depreciation or bon
