What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.
