Thud Ridge: Flying the F-105 Thunderchief in Combat Over ...

This is a flight simulation game with a good premise: You fly F-105's over Vietnam, mainly in "Wild Weasel" missions - i.e. air defense suppression. Unfortunately the game doesn't manage to rise even to average level. I distinctly recall that the game took a very, very long time to load, something quite unusual in those days.

Thud Ridge - Great! This was an excellent book, wish there could have been pictures to go with it. It was well written, and for a fighter pilot "wannabe" like me, it was totally interesting, exciting, educational, and very hard to put down. I totally admire, and envy, men like Jack Broughton. He did what I always wanted to do, but could not, because of poor eyesight. Hourman. Apr 6, 2007. Mud ...
