Vocabulary from Classical Roots. General vocabulary study makes sense for the younger grades, but the type of more specialized study with Greek and Latin roots we find in Vocabulary from Classical Roots becomes more useful for older children since they have already built up a foundational vocabulary and can start to make connections with prefixes, suffixes, and roots.

School ...

I really like the concept of Vocabulary from Classical Roots. The student does not learn individual, non-related vocabulary words, but groups of words associated with a latin root. Once the roots are learned then the student can identify challenging words through the root. The program also takes the words and gives practice in the use of the ...
