Title - definition of title by The Free Dictionary

A title is one or more words used before or after a person's name, in certain contexts. It may signify either generation, an official position, or a professional or academic qualification. In some languages, titles may be inserted between the first and last name (for example, Graf in German, Cardinal in Catholic usage (Richard Cardinal Cushing) or clerical titles such as Archbishop).

Title - Wikipedia

The title of a car is a legal document that provides proof of ownership of a vehicle and other important information, including the vehicle identification number (VIN). A title may be an actual piece of paper or an electronic document.

Equitable versus legal title. At common law equitable title is the right to obtain full ownership of property, where another maintains legal title to the property.. When a contract for the sale of land is executed, equitable [interest/title] passes to the buyer. When the conditions on the sale contract have been met, legal title passes to the buyer in what is known as closing.
